* Total Number of Eligible Applicants: Total number of applicants who listed the school on their OneApp, regardless of how the school was ranked.

** Match Rate: Percentage of applicants who were assigned to the school. Match rate only includes students whom OneApp attempted to assign. OneApp does not attempt to assign students who are ineligible, or are matched to a higher-ranked choice on their OneApp. For example, McMain had 1,524 applicants. Of those who were not assigned to something they preferred more highly on their OneApp, 75% were assigned to McMain.
